

Lead Cloud Developer in Houten (full-time)

PalmSens BV develops, produces, and sells portable electrochemical measurement devices and modules for the international market. We develop custom devices and apps on demand for specific markets, like the food industry or point-of-care medical devices. In this case, our instruments are used to analyze for example, food or blood samples for bacteria, viruses (like covid-19), or heavy metals in the environment.

Who we need

You are an experienced Cloud Developer able to lead a team and you are eager to learn about our business and customer needs.

Your profile

Our ideal developer matches the following requirements:

- ✓ a relevant Bachelor's or Master's degree
- ✓ fluent in English
- ✓ at least four years of relevant work experience
- ✓ experience with Angular, CSS, Python, REST, TypeScript, NoSQL, and C#
- ✓ brings knowledge about Docker, Kubernetes, and Azure
- ✓ has experience with scaling up cloud services
- ✓ continuous-integration pipelines (DevOps)

Also, our ideal engineer:

- ✓ takes ownership
- ✓ is a team player, open, structured, and flexible
- ✓ has a customer focus, commercial attitude, pro-active and always working towards a solution

We offer

- ✓ pension and holiday allowance
- ✓ travel allowance
- ✓ options to work from home
- ✓ options for education and training
- ✓ opportunities for growth
- ✓ a high-end notebook and accessories
- ✓ an informal and amicable working environment
- ✓ plenty of coffee, fruit and snacks

We are an established company with a strong international market position. You will be part of an interdisciplinary team (hardware, software, and firmware) developing software for instruments used all over the world in various fields of research, including medical, food, wearables, environmental, and more. We encourage initiative and creativity and to keep yourself updated with the latest trends and technologies. We offer a competitive salary and opportunities for obtaining certifications.

If you feel you would fit in this team and would like to become a PalmSensee? Please send your application (cover letter and resume) to sary@palmstens.com.
