

Senior Mobile Front-End App Developer (full-time)

PalmSens BV develops, produces and sells portable electrochemical measurement devices and modules for the international market. We develop custom devices and apps on demand for specific markets, like the food industry or point-of-care medical devices. In this case our instruments are used to analyze for example, food or blood samples for bacteria, viruses (like covid-19) or heavy metals in the environment.

The job

You will be working on developing new applications, mainly on the front-end, based on our existing Core libraries, targeting different Operating Systems, including iOS, Android and Windows.

Your profile

You have:

- ✓ a relevant Bachelor's or Master's degree
- ✓ at least five years of relevant work experience
- ✓ a high level of knowledge with C# and XAML
- ✓ a passion for building well-designed, high-quality software using design patterns
- ✓ an eye for detail and identifying root causes of problems
- ✓ an interest to learn new technologies

It would be an advantage if you have:

- ✓ experience with **Xamarin**, **MAUI** and/or Selenium
- ✓ an eye for front-end designs

We offer:

- ✓ pension, holiday and travel allowance
- ✓ options to work from home
- ✓ options for education, training and obtaining certifications
- ✓ opportunities for personal growth
- ✓ a high-end notebook and accessories
- ✓ an informal and amicable working environment
- ✓ plenty of coffee, fruit and snacks

About working at PalmSens

Being one of the most established companies in this niche market we are challenged to innovate constantly. We are proud of our interdisciplinary (hardware, software, and firmware) and international team who perform on a high level. They are the reason we have and maintain a strong market position. The reason for our motivated and ambitious team?

We encourage initiatives and creativity to keep updated with the latest trends and technologies. Possibilities of personal growth within the company. Having drinks and socializing together. And above all, we have a great cooperate atmosphere and positive internal communication.

If you feel you would fit in this team and would like to become a PalmSensee? Please send your application (cover letter and resume) to sary@palmsens.com.
